REMARKS

In the Notice of Omitted Items in a Non-provisional Application it was stated that Figures 3A, 3B appear to be omitted from the subject application. However, the description of Figs. 3A and 3B was intended to refer to the curves A and B in Fig. 3, which was submitted with the application. Accordingly, nothing was omitted from the application.

To clarify the description of the drawings, Page 3 has been amended to refer only to Fig. 3, but refers to curves A and B in such figure. No new matter has been added to the description.

Applicants await examination on the merits of this application. Should there be any questions, please contact the undersigned.

Respectfully submitted,
R. HASEGAWA ET AL.
